MASSAGE SERVICES

SWEDISH MASSAGE

A classic full body massage designed to promote deep relaxation and improve overall circulation. It involves a series of flowing, gentle strokes, kneading, and circular motions designed to loosen tight muscles, improve blood flow and release tension.

60/90 min.

PURE RELAX

Designed to release tension and restore a sense of calm, this relaxing massage combines smooth, rhythmic movements with light to moderate pressure to gently ease the muscles and calm the body. Carefully selected oils are applied to enhance comfort and create a deeply soothing experience, leaving you feeling balanced and renewed.

60/90 min.

DEEP TISSUE THERAPY

Focused pressure targets deep muscle layers to ease chronic tension, improve flexibility, bringing a sense of calm and renewal.

60/90 min.

TABLE THAI

Deep pressure and gentle stretches to relieve muscle tension, improve flexibility, boost circulation, and promote relaxation.

60/90 min.

CANDLE MASSAGE

Soft, warm wax is applied to the skin, melting away tightness and promoting gentle relaxation. Combined with slow, flowing movements, this aromatic treatment envelops the body in comfort, helping you feel renewed and calm.

60/90 min.

GREEK THERA RITUAL

Ancient-inspired massage techniques meet modern tools in this unique ritual. Firm, precise movements with Greek olive oil ease tight muscles, promote relaxation, and leave the body feeling refreshed, strong, and balanced.

60/90 min.

*All treatments can also be enjoyed as a Couples Spa Experience, allowing two guests to relax and enjoy their treatments together.
